Welcome to our award-winning restaurant, the heart of St Andrews! We are a favorite among students and locals alike, offering a commitment to fresh seafood and local produce. Proudly owned by G A Spink fish merchants of Arbroath, we receive daily deliveries of the freshest fish, including our famed hot smoked salmon and Arbroath smokies – truly a must-try! In addition to our laid-back dining atmosphere, we host special event nights, allowing students to celebrate their graduations with bespoke celebratory menus. Golfers, too, can indulge in our legendary Traditional fish, chips, mushy peas, and tartare sauce, alongside a stunning array of Scotland 's seafood treasures, including local lobsters, langoustines, halibut, and hake. For those who prefer to enjoy our delicious offerings at home, we proudly provide takeaway options with the convenience of delivery through Deliveroo! Our restaurant, takeaway, and fish counter are open 7 days a week, offering a variety of fresh fish and ready meals available for in-store purchase, click collect, or home delivery through our website. We would also like to inform our patrons that we have concluded our chapter at the Dundee location. Excitingly, we are planning a new opening in Arbroath and expanding our presence in St Andrews! Stay tuned for more updates!
