BOWLS

Q. How long is does a game take?

A. The sessions are for 2 hours so you can organise your game around ends or time. The Bowls Co-ordinator will assist you with organising this.

Q. What do I wear on my feet and what do I need to bring?

A. It is Barefoot Bowls so you can go barefoot. If you would like to wear something on your feet, you can wear socks or bowls shoes. The sole surface needs to be perfectly smooth. Bring a hat along and comfy, casual clothes are always good. We have sunscreen available for your use.

Q. Are Children permitted to bowl?

A. Children 12 years and older are permitted to bowl. Sorry children under 12 years old are not permitted on the bowling green or to bowl for their own safety

Q. How many people do you allow on a lane/rink

A. You can have up to 8 on a lane/rink at any one time.

Q. What happens if it rains?

A. If it is pouring rain or storming, bowls will not proceed. The water does drain quickly from the greens so it is always a good idea to contact the club to get an update on the state of the green. If rain has ceased and stopped for 1 hour, chances are bowling will proceed. We do not charge for bowling that does not proceed due to inclement weather.

We are living through very trying times and have never been through this before. Unfortunately, what we were able to offer you prior to COVID, may look very different during COVID. We have restrictions on numbers and what we can offer you. We will try our utmost to accommodate your needs but we will be following our COVID Safe Plan to keep us all safe and COVID Free.

Thanks for your patience.
