PREMIUM QUALITY CUTS OF MEAT

Our premium quality meats are exclusively sourced from Australia's richest grazing lands as seasons allow.

High Country Pork is sourced directly from farms in the Riverina region of southern New South Wales and northern Victoria.

The Riverine Beef Range is graded under the Meat Standards Australia (MSA) grading system from carefully selected prime quality cattle raised in open pastures of the Riverine Region of Australia.

The great tasting Burger Patties sourced from The Laneway Street Food Co. are made from 100% coarsely ground Australian beef with absolutely no fillers, delivering a delicious meaty texture.
