In House Deliveries

Your food will be delivered to you by our in-house staff for 2 reasons: To keep them employed

To ensure the safe delivery of your food to you.

All staff have been trained on the strict procedures that are in place to safely deliver our food to you. The health and safety of my staff along with you is of utmost importance and certain steps are required to deliver your order safely.

- Ring up to place your order over the phone and inform us if you require a Contactless drop off point. Credit Card Payments can be made over the phone, a 1.7% credit card fee applies. To improve our service to you we recommend you pre-order during the afternoon.
- 2) Cash Payments can still be made by putting the correct payment into a snap lock see through bag at the drop off point. We will notify you via text that the food has arrived.

Following these simple steps will keep us all safe. Thank you for your ongoing support through this challenging time. We will get through this together! We are in the process of building an online portal so you will be able to place your orders through our website at www.eosgreektavern.com.au Kind Regards Jim
