The following information is provided to assist you in the planning process.

# MENU SELECTIONS

Please find enclosed a selection of group menus that we've designed specifically for larger parties. We provide more of a family style of service, meaning that some plates are designed to be shared between people. Because of this style of service the number of orders per item served will vary depending on the number of guests in your party.

These menus have been specifically designed to provide a nice balance of items to ensure that you and your guests experience the absolute best variety of what Cibo Wine Bar has to offer. It is much easier and highly recommended for larger dinner parties to pre-arrange a menu.

You are welcome to pre-choose items you may wish to include on a set menu from our regular a la carte menu.

Please note that the dishes on the menus are changeable and pricing would change depending on your specific requests. Also note that our menus are subject to change.
